### Impressions

We are a one-stop service! We do it all! Anything for your windows, inside and out, there's no other window covering company that offers what we have to offer – including custom draperies, blinds and solar screens – we offer everything for your window treatment needs. Impressions gives free consultations, free measuring, free installation, and an extensive warranty program. After we install, if an adjustment is needed, the installer adjusts the blinds for free. We set our standards above any other company when it comes to providing service.
